

#### 14A. Display and Exhibit Policy

The Blue Island Public Library welcomes displays of general interest to the community as well as materials having direct relationship to the purposes of the Library. Permanent exhibits offered for display in the Library must be approved by a majority of the Board of Trustees.

Temporary exhibits (up to two months in duration) may be used at the discretion of the Library Director, provided such displays meet the requirements of this policy. The Library will accept responsibility for temporary displays as noted in the attached application form. Placement of the exhibits must be mutually agreeable to both the Library Director and the exhibitor and should in no way interfere with normal operation of the Library.

Informational material to be posted on the bulletin boards in the Library may not be larger than 12"x16" and may not be of a political nature, or for personal gain (e.g. garage sales, selling a car, bike, etc.) The materials are to be given to the Department Head of Adult Services who will post them on the appropriate bulletin board. Primary posting will be for activities in Blue Island. The duration of the posting will be at the discretion of the Library Director.
