

Clothing Donations Needed for Veterans

There will be a Veteran's Stand-Down in Rockford at the end of October, where Vets in need will be given essential items, including winter clothing.

We are in need of donations of men's clothing, sizes large and above, for the coming cold season. Suggested items include coats, boots, hats, gloves, sweaters, etc. Socks and undergarments are not needed at this time. Clothing can be new or gently used.

Please bring your donations to our fundraiser on September 16, there will be collection bins there. If you are unable to attend the fundraiser, but still have clothing you'd like to donate, please let us know and we'll find a way to get it from you. If it's more convenient, you can also mail gift cards to us, just include a note that it's for the Stand-Down.

**Thank
YOU**
